This was a hot May which set a new record for the highest temperature. But on my way back to the School, the white premises bring "Every sunset is an opportunity to reset. Every sunrise begins with new eyes." As New Year begins, we are looking forward to a fresh start of our life. For the Covid-19 pandemic slowly fades away, we are moving steadily forward along path to normalcy. Our team will continue to work hard and educate students by upholding school motto "Confidence", "Perseverance", "Care" and "Joy". We hope that our students are able to face upcoming challenges with "Confidence" and "Perseverance", able to help people in need with "Care" as well as able to grow healthily and happily with "Joy".
